Feast Site – Lake Tahoe – Guardian Ministries

Dear Brethren:

We are thrilled to announce that the Guardian Ministries' 2022 site for the FEAST OF TABERNACLES will be in South Lake Tahoe, CA. After much deliberation and not being able to get the Prescott Resort to return our calls, we had to decide. South Lake Tahoe on the southern shore of Lake Tahoe is a few hundred feet lower in elevation than is Squaw Valley or the north shore of the lake.

We plan to hold services at the BEACH RETREAT & LODGE, 3411 Lake Tahoe Blvd, South Lake Tahoe, CA 96150. This lodge is located right on the shores of Lake Tahoe. We like to do an onsite inspection and this year

it was conducted by Dr. & Mrs. Don and Jan Carruthers. They live in Reno and gave their valuable time to inspect the facility. They liked it very much and also the meeting room for services.

By the way, the water of Lake Tahoe is some of the purest water. You can drink right out of the tap and you will be better off health-wise and money-wise than drinking bottled water.

While the Beach Retreat is on the California side, we will be only 2 miles from the Nevada state line. This resort is right on US 50 where you will find plenty of eating places from fast food too much finer restaurants.

Each room at the Beach Retreat has a refrigerator and coffee maker. We have a concession from the Beach Retreat on discounted rooms. For instance, a room for 2 people whether 1 king bed or 2 queens is \$129.00 per night for the Garden View Rooms. Lake View Rooms are \$149 per night for the same type of room. We got them to drop their "resort fee" of \$30 per night and their parking charge of \$4 per night.

Today the hotel is running a special for the general public with room rates at \$158.00 per night. Normally they are \$179 per night. Just to let you know: Guardian Ministries has never asked any hotel for kickbacks -- i.e. charging you more and giving GM kickbacks on the overage. We bargain for the best price we can get for you who attend the Feast with us.

We will be giving you a reservation number soon. To be sure you get this special room price you need to make your reservations **BEFORE** August 29. After that day we will release the reserved room back to the hotel to offer them to whomever at their normal price.

I plan to arrive on Sunday, October 9 as the first service is on Monday, October 10 at 10:30 a.m. Pacific time -- all services begin at 10:30 a.m. The 8th Day of the Feast is on Monday, October 17, 2022. Many of you in California can drive to South Lake Tahoe. For those coming from great distances, it is easy to fly into the Reno-Tahoe airport and drive about 20 minutes to South Lake Tahoe, CA.

There is much to do in the area and casinos usually have fine restaurants and also buffets that are very reasonably priced. Scenic drives around the lake are a real joy and a picnic area can be found for get-togethers.

We invite you to join us for another Guardian Ministries' sponsored Feast of Tabernacles. If you talked to people who attended the Feast with us, you will hear that the Feast is very worshipful; and the love of the Brethren is manifest. The Feast is also educational and filled with inspiring Biblical teachings. And the Feast is filled with great fun fellowship making it very enjoyable!

Please fill out the [Registration](#) form. Thank you. From that information, we can do other planning for events at the Feast.

Grand total ksh 593,470/= (Approximately \$5,100.)

Currently we do not have the funds for school fees. If you can help, it will be much appreciated. We have not been able to budget for school fees, due to much assistance we have been giving to widows and remote orphans. Food prices have also risen dramatically in Kenya due to the war in Ukraine.

Many in our area in Kenya continue to suffering from starvation. I had mentioned in a previous report that 15- and 16-year-old boys were committing suicide because they couldn't cope with the suffering. Most have been hanging themselves, but one boy drank insecticide used in the garden for killing insects, thinking it would be a quick and easy dearth. But he suffered severely in the hospital for a few days before dying.

This past week Nehemiah heard that a friend that he graduated High School with was in jail. He went to visit him and found out that the boy and his family had gone three days without eating. The boy was so hungry that he went into a neighbor's house, found food, and ate some. He was soon arrested. The police were demanding 17,000 Kenya Schillings to release him. (\$170.) Nehemiah pleaded with the police to free him that he stole because he was on the verge of death. They did show some mercy, and we paid them \$50 for the boy's release. After being freed he had to be taken to the hospital because he was close to death. We paid the hospital bill of \$30, and we also gave the family some little funds to buy some food. It seems that these impoverished Kenyans can go one or two days without food, but if they go three days it becomes unbearable.

We all have many important things that we need to be praying about, but the top of the list needs to be “Thy Kingdom Come” because many around this world are suffering horrendously, and that suffering will not end until our Lord's return.

Your brother in Christ.

Kenya Update Letter
June 19, 2022

Greetings Brethren,

Hope all of you are well, both physically and more importantly Spiritually, as we patiently and “excitingly” await our Lord's return. These are exciting times in which we are living, as we see end time prophecies unfolding right before our eyes. Yes, trouble is ahead for this entire world, but that trouble will finally usher in the desperately

needed Kingdom of God. So many around this world are suffering now, and so many suffering "Horrendously". We need our Lord to return, and finally end all this suffering and trouble.

Nehemiah writes: "I have received the following from the teacher at my former High School. They continue to be so excited over the Scriptural teachings they are learning from our Bible studies. The teacher writes this: "Thanks very much for the wonderful studies that we have received from you. The words that I have read from the study and the Bible are the same, it's really good to see young people like you Nehemiah know more about the word of God and helping us to learn from the Scriptures.

After presenting this current study to the kids (and the staff teachers) I will inform you what they will say." Thank you for the additional Bible too. I think now all our teachers have own Bible."

Nehemiah continues to bring the school Bible teachings each week, and the whole school and staff are hearing and liking them.

Nehemiah brought another Bible Study to Thomas and Siblings.

Thomas, Kevin and their siblings are doing okay. Nehemiah visited them last week, and also brought another teaching. We have also been assisting them with food, but they are close to harvesting some crops. Yes thanks to your assistance, they were able to plant a nice garden with Corn, Kale, and other vegetables, and even "napier grass" for cows. They sent me this picture today, and they hope to harvest in another week.

Thomas and Siblings soon to harvest their corn. But need help with food until they do.

Kalenjin Church Group. Benjamin Bett visited Koibeyon Church Group on Sabbath June 11, 2022. They requested some additional Bibles.

The Kalejin people of Kenya had a role in defending Egypt up to the time of Herodotus. Even the Bible confirms the presence of the Sebei (Kalenjin) Job 1:15 says “and the Sebeans fell upon and took them away. Ezekiel also wrote about the Kalenjin (Sabeans) Ezekiel 23:42 “And a voice of a multitude being at ease *was* with her: and with the men of the common sort *were* brought Sabeans from the wilderness, which put bracelets upon their hands, and beautiful crowns upon their heads.”

The exciting thing is that they are so on fire and receptive for Biblical Truth. We also plan to help them with some Bibles. Currently (as most remote groups in Kenya.) they have but one Bible amongst them (pictured below) and of course it's worn out.

Picture below is of the border widow's house that you donors rebuilt for her after her old mud house fell down.

I wanted to write you this short letter and share with you, as I prepare another update. As you can see, we are

still moving forward in assisting our impoverished brethren, (especially the widows and orphans) and much continues to be accomplished, but it's a struggle. We were hoping that other brethren would learn of the cry for help, and join hands with us to help, but so far that hasn't happened.

Today we had to make a choice between purchasing foods for Sengera House camp (which we normally shop on Sundays) or for crying Widows, I left the choice to them, and they decided to send our remaining funds to the widows. We were able to buy another sack of potatoes for our camp, but currently only have potatoes.

Please pray for others to join hands with us, the need of our church widows and orphans is great.
