Key to Success

An inspiring message from Lance Wallnau's latest post: Lance asks the question, "Of all possible success attributes, which one is the most powerful?"

Lance then explains which is the master attribute as expounded in the Bible. Without it, we become slaves to our appetites. We all have our struggles in the flesh. I found this short message encouraging and perhaps you will too.

Feast Site – Lake Tahoe – Guardian Ministries

Dear Brethren:

We are thrilled to announce that the Guardian Ministries' 2022 site for the FEAST OF TABERNACLES will be in South Lake Tahoe, CA. After much deliberation and not being able to get the Prescott Resort to return our calls, we had to decide. South Lake Tahoe on the southern shore of Lake Tahoe is a few hundred feet lower in elevation than is Squaw Valley or the north shore of the lake.

We plan to hold services at the BEACH RETREAT & LODGE, 3411 Lake Tahoe Blvd, South Lake Tahoe, CA 96150. This lodge is located right on the shores of Lake Tahoe. We like to do an onsite inspection and this year it was conducted by Dr. & Mrs. Don and Jan Carruthers. They live in Reno and gave their valuable time to inspect the facility. They liked it very much and also the meeting room for services.

By the way, the water of Lake Tahoe is some of the purest water. You can drink right out of the tap and you will be better off health-wise and money-wise than drinking bottled water.

While the Beach Retreat is on the California side, we will be only 2 miles from the Nevada state line. This resort is right on US 50 where you will find plenty of eating places from fast food too much finer restaurants.

Each room at the Beach Retreat has a refrigerator and coffee maker. We have a concession from the Beach Retreat on discounted rooms. For instance, a room for 2 people whether 1 king bed or 2 queens is \$129.00 per night for the Garden View Rooms. Lake View Rooms are \$149 per night for the same type of room. We got them to drop their "resort fee" of \$30 per night and their parking charge of \$4 per night.

Today the hotel is running a special for the general public with room rates at \$158.00 per night. Normally they are \$179 per night. Just to let you know: Guardian Ministries has never asked any hotel for kickbacks -- i.e. charging you more and giving GM kickbacks on the overage. We bargain for the best price we can get for you who attend the Feast with us.

We will be giving you a reservation number soon. To be sure you get this special room price you need to make your reservations BEFORE August 29. After that day we will release the reserved room back to the hotel to offer them to whomever at their normal price.

I plan to arrive on Sunday, October 9 as the first service is on Monday, October 10 at 10:30 a.m. Pacific time -- all services begin at 10:30 a.m. The 8th Day of the Feast is on Monday, October 17, 2022. Many of you in California can drive to South Lake Tahoe. For those coming from great distances, it is easy to fly into the Reno-Tahoe airport and drive about 20 minutes to South Lake Tahoe, CA.

There is much to do in the area and casinos usually have fine restaurants and also buffets that are very reasonably priced. Scenic drives around the lake are a real joy and a picnic area can be found for get-togethers.

We invite you to join us for another Guardian Ministries' sponsored Feast of Tabernacles. If you talked to people who attended the Feast with us, you will hear that the Feast is very worshipful; and the love of the Brethren is manifest. The Feast is also educational and filled with inspiring Biblical teachings. And the Feast is filled with great fun fellowship making it very enjoyable!

Please fill out the [Registration](#) form. Thank you. From that information, we can do other planning for events at the Feast.

Kenya Updates:

Time Restriction: 1 Month
Size Restriction: At our discretion

Greetings Brethren,

We continue to assist our impoverished E. African Brethren the best we can with the resources we have, but conditions are once again dire. I received a report from Nehemiah this morning that three children in the Rongo congregation have been hospitalized due to starvation, and one (a young girl) has died during the night.

The Kenya Government has (reported) lowering the cost of maize flour amid the hunger crisis, reporting that 4.1 million Kenyans are currently food insecure, with four consecutive failed rainy seasons, desert locust invasion, the Ukraine crisis and the covid-19 pandemic worsening the situation. But so far, we have not seen the reduced cost. Even today we shopped for supplies for the orphanage, but the cost of maize flour was not reduced.

Please pray that others will join hands with us in assisting during this crisis, with many more of our brethren crying out for help.

The above have been attending local Grammar School.

All returned home after end of 1st term. They have been busy working in the garden, painting, and as you see in the picture below, cleaning the compound. For brooms they just break off a couple of branches from a nearby bush.

5 high upper 27,620 total 138,100

2 lower primary 21,760 total 43,520

Grand total ksh 593,470/= (Approximately \$5,100.)

Currently we do not have the funds for school fees. If you can help, it will be much appreciated. We have not been able to budget for school fees, due to much assistance we have been giving to widows and remote orphans. Food prices have also risen dramatically in Kenya due to the war in Ukraine.

Many in our area in Kenya continue to suffering from starvation. I had mentioned in a previous report that 15- and 16-year-old boys were committing suicide because they couldn't cope with the suffering. Most have been hanging themselves, but one boy drank insecticide used in the garden for killing insects, thinking it would be a quick and easy death. But he suffered severely in the hospital for a few days before dying.

This past week Nehemiah heard that a friend that he graduated High School with was in jail. He went to visit him and found out that the boy and his family had gone three days without eating. The boy was so hungry that he went into a neighbor's house, found food, and ate some. He was soon arrested. The police were demanding 17,000 Kenya Schillings to release him. (\$170.) Nehemiah pleaded with the police to free him that he stole because he was on the verge of death. They did show some mercy, and we paid them \$50 for the boy's release. After being freed he had to be taken to the hospital because he was close to death. We paid the hospital bill of \$30, and we also gave the family some little funds to buy some food. It seems that these impoverished Kenyans can go one or two days without food, but if they go three days it becomes unbearable.

We all have many important things that we need to be praying about, but the top of the list needs to be “Thy Kingdom Come” because many around this world are suffering horrendously, and that suffering will not end until our Lord's return.

Your brother in Christ.
